Dear reader,

I am super-thrilled to present you this March 2020's special edition after having successfully hosted the 05TH Annual IMA Awards on 29 February 2020. The event held in Radisson Blu Pune Hinjawadi received huge participations from almost every stake holder of the MICE industry i.e Hotels, MICE Management Companies, Forex companies, DMC's, Tour Operators, OTA's, Cruise Liners, Resorts, Wedding Planners etc. On one hand, the IMA Awards ceremony was covered by well-known News Channels namely 'NTV Marathi News', 'Star Maa', 'The Traveller TV', our in-house 'TravTour ITV' and on the other hand English and Marathi newspapers like 'Sakal Times' and 'Dainik Yuvavarta' respectively played their part. An online news website 'Darshan Police Time' gave a vast coverage to the awards ceremony post event as well.

The edition you are holding has the vast coverage on the 5TH IMA Awards ceremony held in Pune at page no. 09. The contents have been beautified with the Tête-à-Tête section, at page no. 24, presenting the viewpoints of Rajib Roy Choudhury. The detailed information on the specifications of both the properties can be had at page no. 61 and 22 respectively. Our 'Well-Appointed' section contains the appointment information of dynamic hotelier Pankaj Saxena who will join Radisson Blu Mumbai International Airport as its General Manager. The section also details the appointment of Rajiv Bansal who will lead Air India from the front in the capacity of its new CMD. The information is available at page no. 70. A must-read news on the emergence of 'Inspira Hospitality' by veteran hotelier Pradeep Pillai has been included in this edition at page no. 68. 'TravTour Associate Hotels' section - an integral part of our magazine - with more than 250 star hotels across the country describes the in-depth information on India's hotel Industry and it awaits you at page no. 27.

I would like to thank Ministry of Tourism - Govt. of India, Tamil Nadu Tourism, Kerala Tourism, Tourism Corporation of Gujarat Limited, our business partners, travel and tourism associations and the Indian Hotel Industry for choosing TravTour MICE as a platform to showcase their MICE related products and services to the whole world.

IMA Awards 2019 awardee, Rajib Roy Choudhury has added loads of glitters to the glory of his property, The Aananda Imperial Bilaspur during his tenure. He has been turning up the trumps quite aggressively. Under his dedicated leadership, the property has won a number of recognitions and awards in various categories. TravTour MICE spoke to Rajib about his career and future course of action to promote his venue as a MICE destination. Lets go through what Rajib shared with his evergreen smile :

Rajib Roy Choudhury, GM
The Aananda Imperial Hotel

What makes you a passionate Hotelier ?

Growing up in a joint family has lot of positives. One is definitely being exposed to a plethora of cooking styles, aromas & flavours and tastes...thus has been my entry into a passionate world of eating food. Then while growing up, due to mom's untimely stroke of death, I was tempt fate in taking up cooking and discovered the catalog of nourishment in a wider spectrum and got wistful, linking it to my travelling spree. When I turned a hotelier, I passionately started propagating them across lines. Thus was born a passionate cook and a hospitality pro.

Where do you see the positioning of The Aananda Imperial, Bilaspur in the MICE map of Chhattisgarh ?

The Aananda Imperial Bilaspur is poignantly poised to be a leader in the MICE map of Chhattisgarh with a number of meeting rooms, conference halls, boardrooms, breakaway rooms, ball room and an open air lawn measuring 70,000 sq. ft, supported by 70 self contained rooms in various categories. The hotel is ready to host any kind of MICE event in the region. In effect, the hotel has already hosted prestigious events like State Banquets, Indian Medical Association Annual Function which was attended by the honorable Chief Minister, State Orthopedics Association convention along with medicine equipments exhibition, Marriage events catering up to 2000 people etc.

What is your corporate outreach programme ?

Apart from being a MICE centric hotel the Aananda Imperial has an aggressive and well thought out corporate outreach programme. By the virtue of being a member of Svenska Design Hotel, The Aananda Imperial is present on GDS which gives it a global visibility. Corporate RFP programme enables the hotel to get empanelled with major corporate houses like Ericsson, HSBC etc. An individual account manager under the sales & marketing team ensures the best relationship management so as to generate optimum productivity. Tie ups with various OTAs & TMCs which ideally manages many corporate movement these days result into build up for the hotel. Loyalty programmes and incentivizing individual stays does influence a corporate stay pattern. Regional Sales Offices powered by the Svenska Design Hotel tie up takes care of the relationship management on a regional basis.

How well-equipped is Hotel to handle groups for major events ?

The hotel is equipped with the state of the art infrastructure,

equipments, and resources to handle groups for major events. Be it the rooms or the F&B outlets or the banqueting, venues are just equipped with the best in the class available. The manpower is trained & retained to ensure the Peerless service and facilities. Diverse and unique cuisine lines, viz. Indian, Regional as well as Foreign cuisines cater to all sort of taste buds.

What are your strategies for attracting FITs ?

Special stay packages on the online portals, Airport counters and hoardings at the railway stations, strategic relationship with the Taxi and Auto Associations are a few strategies that the hotel practices for attracting FITs. Also, the presence on GDS and social platforms makes the hotel visible globally and thereby induces certain FIT movements too. Special rates across the counters is also an enabler.

How is the tourist inflow in the city of Bilaspur during lean season ? And what kind of support is being extended from state government to the hotel industry in Bilaspur ?

This is one of major area of concern when we talk about tourist in the city of Bilaspur. Though the Mother Nature has been kind enough and bestowed the region with ample Flora and Fauna, Religious Sites, Archaeological Sites, Historical Sites etc... still the region lacks in terms of footfall due to lack of potent marketing and branding, which as an individual stakeholder The Aananda Imperial has taken it upon itself to market, brand the region as a destination through its various channels. Hotel is keen to work with the state Tourism Board to ensure a Safe State campaign along with joint participation in various travel forum across the globe. The state infrastructure however is being worked upon to ensure a bullish scenario in which tourism will definitely flourish. In effect, the Chakarbhata Airport which is scheduled to come up soon, presence of the chief judiciary of the state in Bilaspur makes it an extremely important district in Chhattisgarh. The presence of government organizations like the Head Offices of South Eastern Coalfields Limited (SECL), South East Central Railway (SECR), apart from extensive Mining and cement manufacturing units in the vicinity along with Korba popularly defined as the Power capital of India makes the region extremely potent to ensure infrastructural up gradation, resulting into enhanced tourist footfalls. †

A great brand aligns with your business's larger market strategy and consumers needs and that's what we are aiming at by getting into different verticals since 2017 like Celebrations, Weddings etc. Strong brands cast a vision and communicate the unique value of the brand in a crowded marketplace and Sunday is made to do so. Sunday is made to handcraft itineraries in such a way that we spend hours understanding the Psyche of every client based on one-o-one meetings; get to know their needs/requirements/at times even demands and curate a signature experience for them. In this way we are able to showcase different products for each and every client and this also enhances the faith that they build in our company over the years. Every itinerary is conceptualised in a different manner to meet their needs. It is because of this personal connect with them that makes Sunday a priority place for them to plan their holidays / getaways / events / celebrations / meetings and even weddings in which Domestic Tourism and Inbound Tourism plays a very important role with SPH.

Apart from India we also focus majority on Outbound Tourism which includes,

Shri Mata Vaishno Devi Shrine

A Spiritual Journey

Visiting India in search of peace and spirituality is nothing new. What is novel and exciting is that never before has its rejuvenating spirituality been packaged with such an ease. Ascetics and seers in India renounce worldly pleasures and live in austere surroundings in the hills. In this context, Shri Mata Vaishno Devi Shrine, Jammu is the most sought after pilgrimage destination for devotees in India and abroad. The number of visitors of holy shrine of Mata Vaishno Devi is now exceeding 10 million pilgrims annually for this divine meet.

The pilgrimage to the Holy Shrine of Shri Mata Vaishno Devi Ji is considered to be one of the holiest pilgrimages of our times. Popular the world over as the Mother who fulfills whatever Her children wish for. Shri Mata Vaishno Devi Ji resides in a Holy Cave located in the folds of the three peaked mountain named Trikuta (pronounced as Trikoot). The Holy Cave of the Mother is situated at an altitude of 5200 ft in Trikuta mountains. The Pilgrims have to undertake a trek of nearly 12 km from the base camp at Katra. At the culmination of their pilgrimage, the pilgrims are blessed with the Darshans of the Mother Goddess inside the Sanctum Sanctorum- the Holy Cave. These Darshans (visits) are in the shape of three natural rock formations called the Pindies. There are no statues or idols inside the Cave. Towards the right of the devotee is the Holy Pindi of Mata Maha Kali in the colour associated with Her i.e. black. In the centre is the Holy Pindi of Mata Maha Lakshmi with a yellowish-red tinge, the colour associated with Mata Maha Lakshmi. The Pindi to the extreme left of the viewer is worshipped as the Holy Pindi of Mata Maha Saraswati. It has a whitish tinge when looked at attentively.

The Holy Cave attracts millions of devotees every year. This is due to the unflinching faith of the devotees who throng the Shrine from all parts of India and abroad. It is also a matter of experience by almost all those who visit the Holy Shrine that upon the Call of Mata, a person needs to just take one step and leave the rest to Her and his journey gets completed with Her divine blessings. Simultaneously, it is also believed that unless there is a call no one can visit the Shrine or have Her blessings, howsoever high or mighty one may be. Holy Visits are open round the clock throughout the year. More than 9,09,252 pilgrims have visited the holy shrine in the first two months of the year 2020. The table depicts the annual figures of visitors over the last ten years:†

Jalesh Cruises

a unique floating MICE destination

In less than a year after its launch, Jalesh Cruises has already established itself as India's first multi-destination cruise line! After the unveiling of its first premium cruise ship, Karnika, Indian travellers have been lapping up the 'cruise vacationing' experience, enjoying the cruises offering experiential holidays to offbeat travel destinations. Jalesh is also making inroads into the MICE (meetings, incentives, conferencing, exhibitions) with corporates taking to the unique opportunity to take their gatherings to the high seas.

A report by FICCI[1] puts the global MICE tourism industry on the fast-track with a compound annual growth rate of 7.5% to reach US\$1.2 trillion by 2023 with the Asia Pacific region growing at a faster rate at 8.6%. While India currently ranks in the Asia Pacific region behind Japan, China, South Korea and Australia, the price competitiveness, travel infrastructure, variety of destinations and diverse tourism offerings along with its position as one of the fastest growing economies in recent years augur well for the growth of MICE in India.

India is today one of the most sought-after MICE destinations, and Jalesh Cruises offering world-class premium conference support facilities matching global standards with hi-tech facilities is a one of its kind conference and meeting venue. It offers a complete

destination with a mix of entertainment, relaxation and culinary experiences. Corporates have shown an increasing interest in hosting their meetings and conferences on-board Jalesh Cruises premium cruise liner Karnika due to the advantages it offers of convenience, hassle-free organisation, and event support and capabilities.

Jalesh Cruises offers corporates a cost-effective MICE solution in a single all-inclusive on-board destination that also takes the group to various other on-shore destinations. With Mumbai as a home port, accessing cruises is easy for corporates. Due to the unique cruise format, the attendees need only unpack and pack once. This also saves time that can be devoted to group activities. The cruise format allows organisers to balance work and leisure as per requirement.

From a small group of 30 to a complete ship charter for 2000 people, from one day to a longer cruise, Jalesh Cruises offers a variety of options to customize the MICE experience. From meetings and conferences

to incentives and reward program cruises, the ship is comparable to a large luxury hotel, and can host small to large groups with its large conference and dining halls. Other events that can be organised on a cruise include company retreats, training seminars, client loyalty programs, product launches, and award ceremonies.

Once the work for the day is done, Karnika, the maiden premium cruise ship from Jalesh offers a host of entertainment activities, including Broadway shows, Casino, Gaming, and Wellness for the group to unwind. On-board experiences such as Comedy shows, Bollywood nights, Magical shows, and Music and Dance festivals are curated as per the requirement.

Jalesh Cruises, the first Indian cruise company, will focus on MICE in a major way going forward. Corporates can leave the event execution, travel and accommodation arrangements and focus on delivering their message to the attendees with an enlivening event. [t](https://www.travtourindia.com)
